

NAMED: A NEW CONCEPT OF NATURAL WELLBEING

NAMED introduces an **innovative concept of NATURAL MEDICINE** which goes beyond the resolution of symptoms and aims to prevent diseases and **regulate the natural balance of our body**, improving our physical, emotional and mental wellbeing.

Since 25 years we provide nutritional supplements to patients looking for an **effective and safe solution** for their disorders and we devote our efforts to the development of new products meeting unmet medical needs.

Today we can offer **a wide range of natural products** covering all therapeutic areas.

We are always focused to the health of patients and for this purpose most of our products are **gluten-free, no-OGM and free BSE/TSE**.

*"The art of medicine consists of amusing
the patient while nature cures the disease"*

François Voltaire

WHO WE ARE

- Weight control

and other important health segments.

OUR MISSION AND VISION

NAMED (acronym of Natural Medicine) vision is well summarized by the slogan **“Where nature meets science”**.

The aim of the company is to spread among physicians, pharmacists and patients, the real benefits of Natural Medicine, both alone or in combination with other drug therapies.

The support of clinical and scientific studies are proving the effectiveness of Natural Medicine as a **concrete and safe approach** to wellness and patient care.

OUR ORGANIZATION

NAMED today is a fully integrated company that accounts more than 150 employees among Sales Force and Management.

NAMED believes in the scientific information through the medical class so patients can be assured of a safe and effective treatment.

NAMED: YOUR NATURAL PARTNER IN WOMAN'S HEALTHCARE

Woman's life is characterized by four essential moments:

- reproductive age
- pregnancy
- menopause season
- aging

Each period has its own importance and the primary goal is to **maintain the proper psychophysical balance**.

NAMED provides a complete products line, supported by clinical evidences, helping women to naturally deal with every stage of their lives.

NAMED is the Italian market leader in the field of immune modulators with its **IMMUN'ÂGE®** (Fermented Papaya Preparation), able to fight oxidative stress and optimize the immune response.

NAMED is the reference company with its **RED CLOVER** brands for menopause management and with **KOLOREX®** (Polygodial) for a natural candida treatment.

NAMED also plays an important role in other supplementation areas, with specific lines in G.I. Tract, Cardiovascular, Respiratory and Immune Systems.

NAMED: YOUR NATURAL PARTNER IN TRAINING AND SPORTS HEALTHCARE

NAMED has reached a leading position in the Italian market of Natural Medicine, introducing also the line "**NAMED SPORT**", a wide range of high-quality formulations, **tailored for casual and professional athletes**, providing a balanced supplementation pre-, during- and post-workout.

Thanks to the continuous scientific research, **NAMED** guarantees **well-balanced and innovative solutions**, developed by a professional scientific staff and Physicians specialized in Sport Medicine and Nutrition.

NAMED SPORT's products are produced according to the European guidelines of the MOH, without doping substances (referred to WADA List).

NAMED SPORT: the best solution for the highest Performance

A close-up photograph of a person's hand gently holding a small, translucent blue globe of the Earth. The globe shows the continents in dark blue and the oceans in a lighter blue. The hand is positioned over a background of vibrant green grass. The overall image conveys a sense of care for the planet and global responsibility.

NAMED: YOUR NATURAL PARTNER IN INTERNATIONAL BUSINESS

NAMED wishes to expand its international activities through **distribution and supply agreements** on selected products.

NAMED fully supports potential partners towards their **regulatory activities** (English dossier and relevant documents according to EU commitments).

NAMED provides **full clinical and scientific information** to help and coordinate partners in their marketing and promotional strategies.
